Practice Foundation

This new OSA skill development program is specifically designed for first and second graders who want to increase their basketball skills in a professional, highly-organized, and FUN environment. The program runs from October 17 thru March 3 and includes a weekly 60 minute practice on Wednesdays, 16 games (8 Fall and 8 Winter) in the OSA Fall and Winter Predator Leagues and two tournaments (1 Fall and 1 Winter). Practices will be run by OSA professional coaching staff and facilitated by OSA staff member Camm Brewer, who is an integral part of the OSA youth basketball program. A parent volunteer will be the head coach and will receive extensive training from OSA professional staff. Practices will consist of 45 minutes of age-appropriate and cutting edge skill development on proper shooting, form, footwork, passing, ball-handling and concepts. The remaining 15 minutes of practice will consist of games/contests or coaches' choice. Players are encouraged to request coaches, friends or teammates. Predator league division play will be determined by overall team ability.

Pre-existing teams are encouraged to participate! All interested parents and coaches should contact Camm Brewer at Camm.Brewer@omahasportsacademy.com for further information.

DON'T WAIT TO REGISTER AS SPOTS WILL DEFINITELY FILL QUICKLY!
