Practice Foundation: This OSA skill development program is specifically designed for first and second graders who want to increase their basketball skills in a professional, highly-organized, and FUN environment. The program runs from October 16 thru March 8 and includes a weekly 60-minute practice on Wednesdays, 16 games (8 Fall and 8 Winter) in the OSA Fall and Winter PELLA Leagues and two tournaments (1 Fall and 1 Winter). Practices will be run by OSA professional coaching staff and facilitated by OSA Youth Skills Director Trey Altenhofen. A parent volunteer will be the head coach and will receive extensive training

from OSA professional staff. Practices will consist of 45 minutes of age appropriate and cutting-edge skill development on proper shooting, form, footwork, passing, ball-handling and concepts. The remaining 15 minutes of practice will consist of games/contests or coaches' choice. Players are encouraged to request coaches, friends or teammates. OSA PELLA league division play will be determined by overall team ability.

Pre-existing teams are encouraged to participate! All interested parents and coaches should contact Julie.Stanfill@omahasportsacademy.com for further information.
